Participants registered for a FACT virtual event receive a confirmation email that includes:

STEP 1:

(A) Join Button: The join button allows you to join the event on the event date, but will also allow you to test your access and ensure that you do not receive any errors or that your organization or computer is not blocking the link. If the join button does not work, a link is also provided. Right-click on the link, copy, and paste it into your browser. If you still experience issues, please contact factevents@factglobal.org as soon as possible so we can assist with troubleshooting. Staff work hard to ensure that both presenters and participants have a seamless experience on the day of the event, making it challenging to troubleshoot access issues during the event.

(B) View this Product Link: This link provides users with direct access to the purchased product. Clicking this link returns users to the overview page. This page provides access to the remaining components, including the attendance verification code, evaluation, and certificates. There is also a tab for handouts; once FACT receives final content from presenters, handouts will be uploaded to this area.

(C) View All of Your Products: This direct access link allows users to view all purchased content.

Participants will receive multiple reminder emails at various points, up to 1 hour before the event starts. Each email will contain the JOIN button and the extended link to ensure that users can test access before the event.

STEP 2:

(D) Add to Calendar: Initial and reminder emails also contain an **"Add to Calendar"** link that allows participants to include details in their calendars.

(E) Overview Page: A direct link to the event page is provided at the bottom of the email.

Welcome to the 2025 VIRTUAL FACT Apheresis Collection & Laboratory Processing Quality Boot Camp focused on Audits!

>>> CLICK ON THE REGISTER BUTTON, EVEN THOUGH YOU ALREADY REGISTERED >>>

Providing your name in Zoom ensures that your attendance is accurately documented, allowing us to provide you with credit for this event.

Participants will hear expert presentations and engage in virtual roundtable activities facilitated by experienced FACT Inspectors and quality personnel. This year's boot camp theme is Audits. FACT instructors will discuss the purpose of an audit, how an audit schedule is created, the phases of an audit cycle, and the required audits for accreditation. Participants will develop audit schedules and prepare for external audits. Participants should be prepared for a highly interactive learning experience.

Participants will be in and out of the main lobby and different sessions throughout the day. The link provided in your original registration confirmation and subsequent reminders will always direct you back to the event lobby.

The Lobby area for FACT events opens 48 hours before the event date to ensure that participants have time to test access. You may test your access upon receipt of your registration confirmation; however, you may not see the exact sessions and graphics that you will see 48 hours before the event.

If you have questions about accessing the virtual event space, please reach out to factevents@factglobal.org.
